ABOUT GPCA

Grace Point Christian Academy is a K4-12th grade school. We came about from a desire to see children from our church be able to attend a safe place and receive a Christian education.

At GPCA, we want to give the students the best of both worlds. Abeka and Ignitia are challenging curricula that will prepare our students for college and whatever their future may hold. GPCA is a safe place: free from discrimination, bullying, and peer pressure!

We are proud to teach and give the opportunity for our students to learn in a Christian environment. If you are in agreement with the teaching of God's Word instilled into your child's education, then GPCA is your answer!

Monthly Tuition Costs

- 1 Child - \$410
- 2 Children - \$490
- 3 Children - \$570
- 4 Children - \$650

Yearly Tuition Costs

- 1 Child - \$4,100
- 2 Children - \$4,900
- 3 Children - \$5,700
- 4 Children - \$6,500

LIFE AT GPCA

STUDENT LIFE

We believe that unity is key within our school's body. Community is a feeling of fellowship with others. We strive to make our community welcoming for any and everyone. At Grace Point Christian Academy, there is a place for everyone!

ACADEMICS

We use the Abeka & Ignitia curricula here at GPCA. These curriculums challenge our students and they prepare them for what the future may hold. We believe that interactive learning is just as important as visual/auditory learning. We are fast-paced, but with our hands-on environment, your child is sure to have the guidance they need!

ADMISSIONS

We have adopted an admissions policy that is supportive of our faith, philosophy, and standards of education. Our purpose is to present not only a private education, but a Christian education as well. Please refer to our handbook PDF attached to our website to review our religious purpose, missions, and beliefs.
